STATEMENT SHOWING THE INDUSTRIES FUNCTIONING IN THE K. R. SUNDARAM INDUSTRIAL ESTATE (PRIVATE), LIMITED, THIRUVOTTIYUR

Name of the Factory.	*Details of components manufactured.*	*Date of Commencement.*
(1)	(2)	(3)
1 Unity Forgings ..	Forging required for Industrial Engines, Motor Cycles and Scooters, conrods, crankshaft, etc.	29th December 1964.
2 Ambits Engineerring Company.	Machining of bar items like crank pin, brake cam. cam spindles, etc., for Motor Cycles and breather valve body, governor gear sleeve, governor gear spindles, etc., for Industrial Engines.	30th June 1965.
3 R. Krishnaraj Industries.	Machining bar items, lime pivot pin, steering system, brake cams, wheel bolts, etc. for Motor Cycles and Scooters.	30th September 1964.
4 Suresh Industrials	Machining of Electrical items like main switch, horn and dipper switch, tail lamps, etc. for Motor cycles and scooters.	12th November 1963.
5 Southern Engineering Company.	Machining of Gear shafts for Motor Cycles, Scooters and Industrial Engines.	7th October 1964.
6 Hari and Hari ..	Machining of non-ferrous castings like cylinder Head Bearing housing crankcase connecting rod, etc , for Motor cycles Scooters, and Engines.	26th September 1963.
7 General Automa-Company.	Machining of bar items likeBall races hub, spindle, hub barrels, etc., for Motor Cycles, Scooters.	17th January 1964
8 Vispa Corporation	Machining of forgings like crank shafts and connecting rods for Motor cycles, scooters and Engines for agriculture and Industry.	28th February 1964.
9 Industrial Ancillary Services.	Machining of non-ferrous castings like crank case, chain case, gear box, casting, etc., for Motor cycle,scooters and Villiers Engines for Agriculture and Industry.	10th September 1964.

1971 சூலை 29]

Name of the Factory.	*Details of Components manufactured.*	*Date of Commencement.*
10 A.V. Ramamurthy and Company.	Machining of crank shaft and con-rods for motor cycles Scooters and Villiers Engines for Agriculture and Industry.	9th February 1965.
11 Sistla Industries ..	Machining of Grey iron casting like Cylinder Barrei Cylinder Head and Crank case for Motor Cycles Scooters and Villiers Engines.	9th February 1965.
12 Messrs. N. Balasubramaniam.	Machining of Cylinder Barrels for Motor Cycles, Scooters and Villiers Engines.	31st January 1964.
13 Indian Carburettors.	Manufacture of Carburettors for Motor Cycles, Scooters and Villiers Engines.	23rd September 1964
14 Sakthi Industrials.	Machining of shaf blanks and spindle like rear hub spindle etc., for Motor Cycles and Scooters.	11th September 1964.
15 Gomathy Engineering Enterprises.	Machining of Gear blanks for Motor Cycles and Scooters.	31st March 1965.
16 Sri Venkateswara Industries.	Machining of malleable iron castings, like hub driving sheels, brake drums and Villiers Engines.	22nd April 1964.
17 Duromatic Products	Manufacturers of special types of nuts, studs, bolts and screws for other Cycles, Scooters and Villiers Engines.	1st October 1963.
18 Southern Automobile Industries.	Manufacturers of springs for Motor Cycles, Scooters and Villiers Engines.	1st February 1965.
19 Sunder Easwar Enterprises.	Pressing and other sheet metal components for Motor cycles Scooters and Villiers Engines.	1st October 1964.
20 V. R. Sambasiva Iyer and Sons.	Special types of nuts, bolts, screws and other items for Motor Cycles, Scooters and Villiers Engines.	18th September 1964.
